The final, complete Weekly Handout for this week is available for download at the course website: (http://sciences.sdsu.edu/~leonard/astro101). For convenience, I have listed here only the changes (i.e., additions, deletions, or changes) that were made to the version of the handout contained in your Course Reader. Rather than printing out the entire handout, you may wish to simply write these changes in to the Reader version of this Weekly Assignment.

Changes to Week the #2 Handout given in the Course Reader:

- **Astronomy Help Room hours.** [Changes: The hours are now given, as well as the specific hours for the 3 TAs associated with my course.]
  - Monday: 12 – 1 PM; 5 – 6 PM
  - Tuesday: 5 – 6 PM
  - Wednesday: 12 – 2 PM; 5 – 6 PM
  - Thursday: 2 – 6 PM
  - Friday: 9 – 10 AM; 12 – 2 PM
  - Meeting with *any* of the teaching associates will be helpful. Note, though, that the teaching associates who are specifically associated with my sections of Astronomy 101 are in the Astronomy Help Room at the following times:
    - Shimonee Kadakia: Tuesday 5 – 6 PM and Friday 12 – 1 PM
    - Alex Burke: Friday 1 – 2 PM
    - David Krogsrud: Wednesday 1 – 2 PM and 5 – 6 PM
  - Since Shimonee, Alex, and David are part of your course, they may be able to provide more specific guidance than other TAs about things related to this particular section, but you are of course encouraged to go to the Help Room whenever it is convenient for you – most of the other TAs have also been TAs for my sections in the past!

- **Planetarium shows.** [Changes: The hours for the shows are now given.]
  - Thursday, September 10: 10 – 11 AM and 4 – 5 PM
  - Friday, September 11: 2 – 3 PM
  - Monday, September 14: 10 – 11 AM and 3 – 4 PM
  - Tuesday, September 15: 11 AM – 12 PM
  - Wednesday, September 16: 11 AM – 12 PM
  - Thursday, September 17: 2 – 3 PM
  - Friday, September 18: 4 – 5 PM

- **Registering at Textbook Website.** [Changes: In the Reader version, this “assignment” is erroneously given twice; the second (i.e., #2) assignment has been removed.]

- **Mathematical toolkit assignment.** [Changes: The first part of the assignment – the section on Geometry – is now assigned to be read before Thursday’s class (i.e., Sept. 10) of this week.]
